Accessing Census Bureau Statistics--The American Community Survey

Go to: http://www.factfinder2.census.gov. Under "Topics," click on "Program," then select "American Community Survey"

1. **What is the percentage of people 25 and older in the District of Columbia with a bachelor's degree or higher in 2010?**

2. **What state had the greatest percentage of children below the poverty level in 2010? What was the percentage? Where did Virginia rank? Is Virginia statistically different from Maryland?**

3. **How many occupied housing units in the District of Columbia, Maryland, and Virginia lack complete plumbing facilities in 2008-2010? What is the corresponding margin of error?**

	Estimate	*Margin of Error*
DC		
Maryland		
Virginia
